

## vision

Imagine an authentic gathering of individuals who love God and others. They are captivated by God's story, motivated by God's love for them, their neighbors, and the nations. They have genuinely been transformed by God's grace and love.

In the midst of an increasingly shifting culture, they choose to remain biblically relevant as they follow God's Spirit. They are grace givers, truth protectors, neighborhood enhancers, and risk takers that are broken and surrendered to Christ. They seek the lost, disciple the found, empower the poor, strengthen the weak, embrace the outcast, and bear each other's burdens.

They consistently remind one another that God's Kingdom is not about their own comfort or preference, but all about Jesus. They seek to simplify their lives so that others may simply live. Together they worship and serve, laugh and cry, play and live. Their world is different because God sent them. Through prayer and by God's grace . . . They are us.

## mission

Our Mission is To:

- \* Evangelize the Lost
- \* Build Mature Disciples
- \* Be the Hands and Feet of Jesus

### Evangelize the Lost

We are passionate about helping people cross the line of eternity by placing their faith in Jesus Christ and accepting Him as their Lord and Savior. We want to lead people to the foot of the cross of Christ. By taking their GREAT CONFESSION, we want to help people begin a relationship with Christ.

### Build Mature Disciples

Helping people deepen in their faith is a result of a great work of God and a strong community experience. We are committed to helping believers develop a strong relationship with God through studying the Bible in a small group context. Connecting to God through Bible study and prayer and connecting with others through fellowship and service helps believers in obeying the GREAT COMMANDMENT.

### Be the Hands & Feet of Jesus

Jesus has called us to make an impact in the world around us. The GREAT COMMISSION compels us to share Christ through service. We are committed to empowering believers to use their gifts to serve God and others.
