

PANAMA CENTRAL AMERICA

David's Well establishes churches throughout Latin America while demonstrating the love of God by providing food, medical attention, school supplies, safe drinking water, agricultural developments, and building projects along with sharing the Word of God. Over 15,000 people have been led to the Lord Jesus Christ since the mission was started in 1987. There are 150 congregations with more than 50 trained pastors, 40 schools, 4 medical clinics in remote villages, and volunteer doctors who make bi-monthly trips to outlying communities.

We serve alongside Christian Missionary Fund (CMF) in supporting their Kenya outreach. CMF works among the urban poor of Nairobi and among the Maasai people. Transformation comes through providing education, clothing, and adequate nutrition to the orphans and vulnerable children in Mathare, one of the worst slums in Africa. Among the Maasai there are eight clinics to treat tropical diseases, immunize children, and to help combat the HIV/AIDS crisis with testing, counseling, medical treatment and home-based care. Spiritual transformation comes through preaching the Gospel and planting strong congregations with Kenyan leadership.

KENYA EAST AFRICA

Tavriski Christian Institute (TCI), established in the 1990's, is a conservative evangelical seminary located in Kherson in southern Ukraine. TCI trains pastors for practical ministry in expanding God's Kingdom. Today TCI unites 102 students from five different evangelical denominations and 8 former Soviet Block nations. We believe that the Lord has intended Ukraine to become the source of well equipped ministers for the extension of His Kingdom in the former Soviet Union and other countries. TCI has an important role in that plan.

UKRAINE EASTERN EUROPE

WRCC helped pave the way for the development of the TCI Georgia Extension through a preliminary investigative trip to Georgia and a subsequent trip of prayer & encouragement shortly after the Russian invasion. Pastors Timothy Brock and Dan Crosley taught one of the first courses at this new TCI Extension in early 2009. Young leaders in Georgia, along with others from neighboring Azerbaijan and Armenia have been invited to study in this extension institute. This trained leadership will be instrumental in planting strong churches.

REPUBLIC OF GEORGIA

The National Bible Institute is located in Queretero, Mexico. Fully staffed by Mexican Nationals, the Institute is a co-ed college that currently has 31 students. Students study during the week to become pastors. On the weekends they put into practice what they have learned by taking the gospel to adjacent areas. Thus, while being trained, students actively participate in hands-on efforts throughout Mexico working especially among the poorer colonies in towns and cities.

QUERETERO CENTRAL MEXICO

Dugit is an evangelistic outreach center located in the heart of Tel Aviv which functions as a coffee house outreach center. Israelis can drop in for a chat over a free cup of coffee in a safe, friendly environment where they can hear about Yeshua the Messiah. Opened in 1993, Dugit is also a base for street outreach and a resource for evangelistic materials. Hundreds of Israelis have been exposed to the Gospel through this vital ministry.

ISRAEL MESSIANIC OUTREACH

Derek & Ashley Ried are serving on the team of New Mission Systems International. Ashley (Adams) was active through high school at WRCC. In March 2008, the Rieds knew that God was indeed calling them into vocational mission work and although it broke their hearts to leave student ministry, they knew God had a plan for them to work cross-culturally. They currently live in Orlando, Florida and are working on fund raising. Derek has joined the Short Term Ministries Division and Ashley is on the HIV-Hope team. Derek & Ashley need a solid backing of prayer & financial support.

HIV/AIDS

Max and Grace Hughes serve with Asian Christian Outreach (ASCO), a Filipino mission based in Negros Occidental, an island in the Central Philippines. Max and Grace have served with ASCO as missionaries since 1995. They are presently serving with Fortress College, which offers education from pre-school through college and technical/vocational courses. Thousands of students have come to know the Lord through the Bible classes and chapel services. Max and Grace have 3 children and 5 grandchildren.
